The Client

MIND Halton - a mental health registered charity supported by Halton Borough Council & Halton Primary Care Trust. It provides a day services for people that have had or are experiencing a mental health problem. They also offer an information service for anyone affected by mental distress. MIND Halton is affiliated to the National MIND group.

The Need

Having restructured and re-housed to a purpose built resource centre, Mind Halton staff required training and consultancy in specialist instructional skills.

What we did

The requirements were above and beyond standard instructional techniques. Stephan Polshaw designed and delivered an 'Activity Led' Development Programme to meet the needs

Consultant(s): Stephan Polshaw

How the client benefited

The event equipped the staff to deal with the specific considerations of their target group (individuals effected by mental health issues).

The instruction enabled the beneficiaries of the MIND Halton service to achieve greater control of their own lives.
