

Set Targets

- Getting the environment right for the individual to perform
- Setting employee performance objectives
- Selecting appropriate standards to develop towards
- Identifying skill gaps
- Providing structure for learning

Continuous Improvement

Clients

- Ineos Silicas
- ICI

Overview

To achieve employee motivation and employee performance the environment must be right.

For the longer term this mean understanding the skills and experience that they will require and making sure that they get them.

In the short term individuals need opportunities to develop their skills, clear goals to aim for and feed back on how they are progressing

Case Studies
